

JOB DESCRIPTION

Job Title: Carpenter - ON

Department: Manufacturing

Reports To: Production Manager

Status: Non-Exempt

Date Issued: April 2022

SUMMARY:

Responsible for working within a team to build the structural aspects of both containerized and skid style systems by installing the wooden structures, finished paneling and doors, as well as painting and detailing.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Build and install interior framing for containerized systems as per drawings and specifications.
2. Build skids and crates for shipments.
3. Build and install interior framing for containerized systems as per drawings and specifications.
4. Prepare and detail systems for shipment.
5. Take measurements and determine the amount of material required.
6. Frame, insulate and clad walls.
7. Other duties as assigned.

OTHER DUTIES AND RESPONSIBILITIES:

- Responsible for performing duties in a safe manner and promoting safety to others in accordance with Newterra's safety policies and procedures.
- Responsible to report all safety concerns, near misses and incidents to their manager immediately.
- Maintain a clean, orderly, and safe workspace.
- Adhere to the company processes as detailed in Newterra's Business Management System and bring forward ideas for continuous improvement.

MINIMUM QUALIFICATIONS:

- High School Degree or GED required.
- Experience as a carpenter preferred but not mandatory.
- Demonstrated hands-on experience in working with carpentry tools and materials.

KNOWLEDGE, SKILLS, AND ABILITIES:

- Excellent understanding of carpentry techniques and methods of installation and construction.
- Proficient in using measurement tools (tape measure).

The information listed above is not comprehensive of all duties/responsibilities performed. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of the position. This job description is not an employment agreement or contract. Management has the exclusive right to alter this job description at any time without notice.

PHYSICAL DEMANDS:

Must be able to use both hands to handle, control, or feel objects, tools, or controls, stand for long periods of time, and repeat the same motions. Must also be able to push, pull and maneuver up to 50 pounds.

WORK ENVIRONMENT

Frequently work outdoors. Often wear protective attire, such as safety goggles, masks, or ear plugs. May be exposed to contaminants. Frequently exposed to distracting and uncomfortable noise levels from machinery. May be exposed to hazardous situations when working with large metal parts and cutting tools. Exposure to hot or cold temperatures or inclement weather based on indoor or outdoor conditions. Company safety standards must be always followed.
