

Newterra is looking for an Industrial Regional Sales Manager!

Our Industrial Regional Sales Managers (RSM's) are our **face to our customers**. You are the **first impression**. You are the **trusted partners** in helping our customers develop solutions delivered by Newterra.

RSM's are **competitive** and **highly motivated**. You **want to win** every opportunity. You are **charismatic** and have an ability to **communicate** with any level in an organization. You have **good working knowledge** of your markets and technologies and can quickly **build strong relationships**. You are **curious** by nature and are an **empathetic listener**.

We are currently looking for Regional Sales Managers to lead our Heavy Industrial focus in the North America in the following locations:

- South-Central & South-Eastern USA

The position will focus on the applicable markets and build our pipeline for further growth.

Company Description

Newterra is a leading provider of modular water, wastewater and groundwater treatment solutions to the resource, power generation, industrial, private development and municipal markets. With its suite of patented technologies and capabilities that include design, engineering and manufacturing in its own facilities, Newterra maintains control over the high quality and on-time delivery of its systems. Operations in Canada and the United States allow Newterra to address the needs of clients.

Newterra is an equal-opportunity employer dedicated to attracting talented people who share these goals and ideals. If you thrive in an environment that rewards rolling up your sleeves, thinking beyond the status quo, and doing what it takes to deliver innovative solutions, we'd like to talk to you. For more information, visit www.newterra.com.

Summary of Position

This sales position is responsible for growing sales of water and wastewater treatment plants for the Food & Beverage (Wastewater), Pharmaceutical (Wastewater), Agriculture, Power, Oil & Gas, Chemical Processing and Biofuels markets.
