A Custom System Warranty Package for Your Peace of Mind

## Newterra Aftermarket Parts and Services

**Look to newterra for expertise, quality parts and service.** Stretch your investment dollars farther by ensuring that you take care of your treatment equipment systems with quality maintenance and care. Newterra offers a wide range of spare parts and associated services to help keep your systems running optimally and give you peace of mind.

In addition to offering quality replacement parts and service for your treatment equipment, we are proud to offer **Newterra Beyond**, an opportunity to extend the duration of your warranty package and/or expand the warranty coverage to include more than just parts (*i.e. labor*). As you know, all Newterra treatment systems include a **1-Year Warranty** against defective workmanship or equipment from the date of “notice of readiness to ship. We offer Newterra Beyond as extra peace of mind protection for your equipment and your operating budgets. Newterra Beyond warranty pricing is provided on a case-by-case basis.

**In order to maintain the validity of your valuable Newterra Beyond program, please note the following conditions:**

- Startup and Training services by Newterra (*additional cost*)
- System to be maintained as per Newterra provided System O&M Manual, operating and maintenance logs must be documented and shared with Newterra upon request.
- Purchase of Newterra Protect for an annual service visit by a Newterra Field Service Representative may be required (*additional cost*)
